

FEDERAL SALES - DEPARTMENT OF DEFENSE (DOD), BLANKET PURCHASE AGREEMENT (BPA)

On July 24, 2006, Metrocall Wireless, a direct subsidiary of USA Mobility, the U.S. Army Information Technology, E-Commerce and Commercial Contracting Center – West (ITEC4-West), Fort Huachuca, AZ along with the U.S. Air Force and Defense Telecommunication Services Washington (DTS-W) established the Following BPA agreement number W91RUS-06-A-0009 for Wireless Data Telecommunications Equipment and Associated Services. This BPA is entered into under the auspices of the Department of Defense Wireless Strategic Sourcing Initiative.

USA Mobility, an industry leader with almost 40 years of experience providing one-way messaging, two-way messaging and wireless communications, serves customers nationwide. USA Mobility is the largest wireless messaging company in the United States. In addition, USA Mobility provides technologically advanced communications solutions to its valuable government and business clients.

BPA Contract:

BPA Contract #:	W91RUS-06-A-0009
Issued By:	UNITED STATES ARMY CONTRACTING AGENCY ITEC4-W Contracting BLDG 61801, RM 3212 Fort Huachuca, AZ 85613-5000
BPA Contract Type:	Indefinite Delivery/Indefinite Quantity (ID/IQ), Fixed Price Contract to include the following terms and conditions (FAR Part 13.05(c) and Part 12 apply).
BPA Contract Term:	BPA will expire five (5) years from date of signature (July 24, 2006.)
BPA Contract Scope:	Standard Metrocall Wireless products and airtimes services as listed in the BPA. Any and all future wireless products and services will be available upon contract modification of this BPA.

BPA Eligibility (Authorized BPA Users):

- All U.S. Army/U.S. Air Force/DTS-W authorized purchasers.
- All Department of Defense authorized purchasers.
- Any Government GPC holder or buyer.
- DOD Government Contractors.
- DOD Telecommunications Services Control Officer (TSCOs) within the National Capital Region (NCR).

BPA Contract Advantages:

- Delivery Order against a contract -- not a Purchase Order against a schedule.
- Contract meets all CICA (Competition in Contracting Act) requirements. Does not require further competition.
- Discounted pricing is based on commercial pricing, and since the rates as offered are equal to or less than the rates as offered to the general public, the pricing upon which this BPA is based is determined to be fair and reasonable.
- Coverage -- highly efficient ReFLEX® 25 digital point-to-multipoint platform offers higher signal strength, in-building penetration, and far greater landmass and population coverage of cellular, PCS, and wireless broadband combined, providing coverage to more than 93% of the U.S. population.
